2013 FUN RAISING PROGRAM

E-Z *as* 1-2-3!

718.37.BKLYN • brooklyncyclones.com

#1

Choose a **game date** from our 2013 schedule, and decide **how many tickets** you think your school will be able to sell by May 18, 2013.

#2

Distribute our baseball ticket order form and student rewards flyer throughout the school. Then, watch as the magic of baseball helps to inject spirit and pride throughout your school, while at the same time raising money for supplies and other programs for your students.

#3

ENJOY A FREE VISIT from the **BROOKLYN CYCLONES' VERY OWN KING HENRY!** The King will visit your school and give a **History of Baseball presentation and Magic Show!** This program is a fun way to get children interested in America's favorite past time, while also learning the deep seeded heritage of the sport in our community - including Brooklyn Dodger Jackie Robinson and his role in helping to break down social barriers.
