Complimentary parking

Please reply by April 29, 2011

Your participation in the Pink & Black Tie Gala will help to ensure that the American Cancer Society can continue to save lives. The only charitable organization to fight all cancers on all fronts, the Society invests donations in programs to help people stay well, get well, find cures and fight back. The Society continues to be the country's largest non-government source of cancer funding; virtually every major cancer breakthrough in the past 60 years can be traced to the Society, and 44 researchers funded early in their careers have gone on to win the Nobel Prize.

Funds raised by this Gala directly support the American Cancer Society in Brooklyn, the only cancer program serving all of the borough, as well as the Society's national life-saving research program. We currently assist more than 40% of all cancer patients in Brooklyn, offering expert, warm support, accurate information and referrals. The 2011 Gala will include a special auction to support the Society's extensive patient navigation service program offered inside of Brooklyn hospitals, which provides first-rate support in multiple languages to thousands of newly diagnosed patients and their families.

Thank you to our premiere sponsors
